**TO WHOM SO EVER IT MAY CONCERN**

*This is to certify that M/s. AMNYK INDIA, Mumbai has supplied and installed MAXR100-Active Refrigerant Agent additive oil on our DUNHAM BUSH make 60TR Chillers, Model ACHD X 75T-5SP for reducing the energy consumption.*

The trials conducted between 5th November, 2018 to 10th January 2019 and we observed **30.19%** of energy savings after installation of MAXR100.

We are quite happy with the savings and considering for installation of MAXR100 on our remaining HVAC equipments in the coming days.

We recommend MAXR100 to all HVAC users for reducing the energy consumption of their HVAC systems and energy costs.

For SCHNEIDER ELECTRIC INDIA PVT. LTD.
